SunSea Energy DC, LLC ("SunSea") is providing this Fuel Mix and Emissions Report for Electric Power Supply Service in accordance with the District of Columbia Public Service Commission 15-4201.

The data above are the values from January 2023 through December 2023 PJM* System Mix and do not necessarily reflect the energy that SunSea had supplied. The generation of electricity can be generated from several different fuel sources, resulting in different emissions. SunSea will provide this environmental data to customers on a semi-annual basis, allowing customers to compare data among other licensed suppliers providing electricity within the District of Columbia.

SunSea matches 100% of electricity supplied to consumers with nationally sourced Renewable Energy Certificates (RECs) that have been certified by state or regional renewable portfolio standards administrators, not reflected in this table.
